

# Heaven Is Waiting

## Lynch Mob

Music: lynch

Lyrics: esposito, lynch, brown, masonI've been tryin'

Tryin' to show to you

The way I feel inside

It don't make no sense

To hide my feelings, noNo time for wastin'

Oh there's got to be a way

I beg, steal or take

The taste of tears

You throw my wayHeaven is waiting

How can you walk away, yeah

(don't walk away)

Don't hurt me, love me, babe

Don't take your time, girl

Don't be lateI've been dyin'

Dyin' to tell you how

You tear me up inside

Just a look from you

Could make or break meNow, do you remember

Oh wehn you call my name

I got this...chance

My dreams won't fade awayHeaven is waiting

How can you walk away, yeah

(don't walk away)

Don't hurt me, love me, babe

Don't take your time, girl

Don't be lateOh no way

Don't turn away

I can't waitHeaven is waiting

How can you walk away, yeah

(don't walk away)

Don't hurt me, love me, babe

Don't take your time, girl

Don't be lateHeaven is waiting

How can you walk away, yeah

(don't walk away)

Don't hurt me, love me, babe

Don't take your time, girl

Don't be lateHeaven is waiting (repeat)
