

# Lazy Sunday

Katerine Avgoustakis

Lazy Sunday, wake up in the late afternoon  
Call Parnell just to see how he's doin'  
Hello? What up, Parns?  
Yo, Samberg, what's crackin'?  
You thinkin' what I'm thinkin'? Narnia  
Man, it's happenin'  
But first my hunger pangs are stickin' like duct tape  
Let's hit up Magnolia and mack on some cupcakes  
No doubt, that bakery's got all the bomb frostings  
I love those cupcakes like McAdams loves Gosling  
Two, no, six, no, twelve, bakers' dozen  
I told you that I'm crazy for these cupcakes, cousin  
Yo, where's the movie playin'? Up on west side, dude  
Well, let's hit up Yahoo Maps to find the dopest route  
I prefer MapQuest, that's a good one too  
Google maps is the best, true that, double true  
Yo, sixty eight to Broadway, step on it, sucka  
Whatcha wanna do Chris? Snack attack, muthafucka  
The Chronicwhattles of Narnia  
Yes, the Chronicwhattles of Narnia  
We love the Chronicwhattles of Narnia  
Pass the Chronicwhattles of Narnia  
Yo, stop at the deli, the theater's overpriced  
You got the back pack? Gonna pack it up nice  
Don't want security to get suspicious  
MrPibb and Red Vines equals crazy delicious  
Yo, reach in my pocket, pull out some dough  
Girl acted like she'd never seen a ten befo'  
It's all about the Hamilton's, baby  
Throw the snacks in the bag  
And I'm a ghost like Swayze  
Roll up to the theater, ticket buyin'  
What we're handlin', you can call us Aaron Burr  
From the way we're droppin' Hamilton's  
Now parked in our seats, movie trivia's da illest  
Whose "Friends" alum starred in films with Bruce Willis?  
We answered so fast, it was scary  
Everyone stared in awe when we screamed, Matthew Perry  
Now quiet in the theater or it's gonna get tragic

We're about to get taken to a dream world of magic  
The Chronicwhacles of Narnia  
Yes, the Chronicwhacles of Narnia  
We love the Chronicwhacles of Narnia  
Pass the Chronicwhacles of Narnia
