## This Is How It Feels

## **Inspiral Carpets**

Husband don't know what he's done Kids don't know what's wrong with mum She can't say, they can't see Putting it down to another bad dayDaddy don't know what he's done Kids don't know what's wrong with mumSo this is how it feels to be lonely This is how it feels to be small This is how it feels when your word Means nothing at allBlack car drives through the town Some guy from the top estate Left a note for a local girl And yet he had it all on a plateSo this is how it feels to be lonely This is how it feels to be small This is how it feels when your word Means nothing at all Husband don't know what he's done Kids don't know what's wrong with mum She can't say, they can't see Putting it down to another bad daySo this is how it feels to be lonely This is how it feels to be small This is how it feels when your word Means nothing at all So this is how it feels to be lonely This is how it feels to be small This is how it feels when your word Means nothing at all Nothing at all
