

Ugly Beautiful

Lachi

Verse 1

She hold her beauty in a bag.
She prides herself on what she has.
Though I don't have her fancy close
Well I have something real to show.

And is that enough
To be as beautiful as one can be.
If that's not enough
Then you're not the one for me.

B Y E

Chorus

Tell me why should I change for you.

Verse 2

Sometimes the things we cant control
Are the most ugly beautiful
Because everyone has something wrong
'Cause everyone has something wrong

And if you don't
Well kudos to you
'Cause if you don't
Well you're blind to the truth.
Shame on you.

Chorus

Tell me why should I change for you.

Bridge

Tell me why people always change
Why they can't remain the same
Why people always change
Why Why Why

Chorus

Tell me why should I change for you.
