Back Again

Boy Kill Boy

Close to madness, so demanding
I can't breathe anymore
I'll never be the same againPlease forgive me, and forget me
'Cause it's calling my name, I'll never go back again
Back again, back again, back againCan I find some more misery?
If it can't be you, then it must be me
And can I find some more for me?
I'll never know, I'll never go back again
Back again, back again, back againCold September, I remember
Wishing I was away
I'll never be the same againPlease forgive me and forget me
Cause it's calling my name, it's calling, it's calling
It's calling it's calling, it's calling, it's callingCan I find some more misery?
If it can't be you, then it must be me
And can I find some more for me?
I'll never know, I'll never go back againTime to time it's easier
Time to time it gets easier
Again, again, again, againCan I find some more misery?
If it can't be you, then it must be me
And can I find some more for me?
I'll never know, I'll never go back again
Back again, back again, back again
Back again, back again, back again
Back again, back again
