

# I Will Make U Cry

Nelly Furtado

This is not political it's just  
That I demand attention when I walk into a room  
And it's not that I can't play ball hard it's just that I don't want to  
And the more I think about this pressure love I don't want you And I can't have you and that's what hurts the  
most  
I cannot show you these things I boast  
I'll throw my heart out, keep my head up, I cannot fuck up 'cuz I got what you need boy  
(Baby, I do)  
But I will only 'cause you pain, yeah  
(I promise that)  
I got what you need boy  
(Baby, I do)  
But I will only bring on the rain So I'll prefer to run this road rough around the edges  
Good for something but too good to give it to you  
You run your own course at your own pace but I just got impatient  
See, I wanted to explore Forsake you, forsook you, abate you, dissipate you  
So turn fate around, I believed that I was free of you  
Not I still believe in those days on benches at sunset  
Or the waves in July or was it March We weathered weathers and storms real and imagined  
Such fragile tenderness  
You are truly blessed  
I stress this as I blow you this kiss as I blow it in the wind I got what you need boy  
(Baby, I do)  
But I will only 'cause you pain, yeah  
(I promise that)  
I got what you need boy  
(Baby, I do)  
But I will only bring on the rain Gonna make you cry so damn hard  
You're gonna curse your drawers and wish you weren't a boy  
Gonna make you cry so damn hard  
You'll curse your drawers and wish you weren't a boy, yeah I will make U cry  
I will make U cry They say time is made of memories  
Well I remembered and I'm tired  
This is not political  
It's just that I remember the fire Babe, you left me with my head held high  
And I feigned to be more than I was, didn't I  
I thought I could do without sugar love  
But this chocolate has turned into sweet bubble gum  
Candy is sweet but honey is sweeter

It tastes like the real thing but candy is much much cheaper, cheaper I got what you need boy

(Baby, I do)

But I will only 'cause you pain, yeah

(I promise that)

I got what you need boy

(Rain a'fallin' down, rain a'fallin' down)

(Baby I do)

(Rain a'fallin' down, rain a'fallin' down)

But I will only bring on the rain

(Rain a'fallin' down, rain a'fallin' down) Time crying, you'll be crying

I'm sorry I made you cry

I didn't mean to, let me wipe those tears away

Wipe those tears away

Don't cry baby

It's only rain
