Flee from Reality

[Metal Church](#)

I've got no time for decisions
All I can do is complain
They threaten with institutions
I think they're all insaneRuthlessly holding on
The person they want you to be
Converting the preset within
Flee from realityI'm in a state of confusion
I don't know how to get back
Don't give a damn about the future
I can't remember the pastWhat the hell is going on?
Self-induced insanity
I took the easy way out
Flee from realityFlee from reality
Flee from reality
Flee from reality
Flee from realityHow will I get there
To where I find my destiny?
I need an easy existence
Flee from realityI hear the call of temptation
My willpower is young
Delivering my resignation
Responsible citizenRuthlessly holding on
The person you were meant to be
Confronted by reason within
Flee from realityFlee from reality
Flee from reality
Flee from reality
Flee from realityFlee from reality
Flee from reality
Flee from reality
Flee from reality
