I'm a bit of a mope
i'm always in
the wake of the hope that
you might just sit and
talk a bit I'm a bit of a mope
i'm always in
the wake of the hope that
you might just sit and
talk a bit I'm a bit of a mope
i'm always in
the wake of the hope that
you might just sit and
talk a bit
I'm a bit of a mope
i'm always in
the wake of the hope that
you might just sit and
talk a bit I'm a bit of a mope
i'm always in
the wake of the hope that
you might just sit and
talk a bit I'm a bit of a mope
i'm always in
the wake of the hope that
you might just sit and
talk a bit
I'm a bit of a mope
i'm always in
the wake of the hope that
you might just sit and
talk a bit
