Sky

Sonique

Look at me it really was not easy but I can breathe
And I'm so grateful 'cause I can see
I am free to do exactly what I please
So come with me to a place where we can beOoh, I wanna touch the sky, I wanna fly so high
Ooh, I wanna hold you, I wanna love you tonight
Ooh, I wanna touch the sky, I wanna fly so high
Ooh, I wanna satisfy, I wanna make you cryFollow me to a place where we can be absolutely free
To be exactly what you wanna be
Completely, lose control that's when I need you more
Give me the key, to set your heart and spirits freeOoh, I wanna touch the sky, I wanna fly so high
Ooh, I wanna hold you, I wanna love you tonight
Ooh, I wanna touch the sky, I wanna fly so high
Ooh, I wanna satisfy, I wanna make you cryI know what I want and I know that I need it right now
Gonna take you on a journey to a far away place now
Gonna take you on a journey to a far away place nowOoh, I wanna touch the sky, I wanna fly so high
Ooh, I wanna hold you, I wanna love you tonight
Ooh, I wanna touch the sky, I wanna fly so high
Ooh, I wanna satisfy, I wanna make you cryOoh, like a bird in the sky, just you and I
I'm gonna fly like a bird in the sky, just you and I
We're gonna fly like a bird in the sky, just you and II wanna love you now, I wanna take you high
I wanna give you everything that you desire
I wanna love you now, I wanna take you high
I wanna give you everything that you desireI wanna love you now, I wanna take you high
I wanna give you everything that you desire
I wanna love you now
