

# Raising Fear

## Armored Saint

Hide  
Revived the pace He's got your number  
With all your peers you're going down  
Rabid Heady instinct  
Ransacked and can't be found  
Skulk inside the shadow  
The conscious mind won't let go  
No one hears you  
Then you disappear  
Warn with a threat Bow, down here  
'Cause the saint's Raising Fear Everything has gone haywire  
A sneak attack is going down  
Bringer of bad news  
Has come to spoil your pleasant mood No one hears you  
Then you disappear  
Warn with a threat Bow, down here  
'Cause the saint's Raising Fear  
I said, bow, down here  
Cause the saint's Raising Fear Rebuilt your face you've got to wonder  
Why all your fears are still around  
Rubbed the wrong way  
Ranked one way  
Here to control your life No one hears you  
Then you disappear  
Warn with a threat Bow down here  
'Cause the saint's Raising Fear  
I said bow down here  
'Cause the saint's Raising Fear  
Raising Fear, Raising Fear  
Raising Fear, Raising Fear
