Home is where the heart is
Home is so remote
Home is just emotion
Sticking in my throatLet?s go to your place
Let?s go to your placeHome is where the heart is
Home is so remote
Home is just emotion
Sticking in my throat
Home is hard to swallow
Home is like a rock
Home is good clean living
Home is - I forgotLet?s go to your place
Let?s go to your placeHome is so suspicious
Home is close control
Home is will you miss us
Home is - I don?t knowLet?s go to your place
Let?s go to your placeHome is aggravation
Home is so much fuss
Home is mind your business
Thank you very muchLet?s go to your place
Let's go to your placeI don?t want to go back
I don?t want to go back
I don?t want to go back any more
