**Lene Lovich**

Home is where the heart is  
Home is so remote  
Home is just emotion  
Sticking in my throatLet's go to your place  
Let's go to your placeHome is where the heart is  
Home is so remote  
Home is just emotion  
Sticking in my throat  
Home is hard to swallow  
Home is like a rock  
Home is good clean living  
Home is - I forgotLet's go to your place  
Let's go to your placeHome is so suspicious  
Home is close control  
Home is will you miss us  
Home is - I don't knowLet's go to your place  
Let's go to your placeHome is aggravation  
Home is so much fuss  
Home is mind your business  
Thank you very muchLet's go to your place  
Let's go to your placeI don't want to go back  
I don't want to go back  
I don't want to go back any more
