

Lemonade

ApologetiX

Oh, Mama, I've been cleared of my crimes and I'm not under the law
Law has been put an end to by Someone that is so far above it all
Oh, Mama, I can hear you a-sighin', you're so scared it's all a joke

Examine Romans 10 for a while and then you'll know I can't be wrongThe Jesus love I knew about has finally
found me

Made lemonade from my mistakes -- the sweet from the sour
10 verse 4 in Romans says -- disobedience ends with faith

In the Son of ManOh, Mama, I've believed on the Lamb of God, the High Priest of My Faith
God says that He's forever alive now so it's for sure He'll keep me saved

Dear Mama, back in Hebrews you will find it, in verse 7:24

Amen, I'm comin' out from the shadows and I don't have scary thoughtsThey've taken off the noose around
me -- I will be found clean

The reservations had been made with Jesus on Calvary
Everyone has gone astray, but you can repent today

If you want it manOh, Mama, I've been cleared of my crimes and I'm not under the law

Amen, I'm comin' out from the shadows and I don't have scary thoughtsHey, check this out, removed from the
doubts, the Bible astounds me

I read Galatians chapter 3:24 and zowie!

Twenty-four and -five explain, disobedience ends with grace
If you want it, man -- You want it, man?
