

# Everyday

## Chief Keef

She say you be stunting bitch that's everyday  
She wanna chill with Sosa but not every day  
Everyday, everyday, everyday  
She wanna chill with Sosa but not every day

I be smoking dope shit, that's everyday  
3hunna swole, bitch we be up in the place  
Don't care what you say, shit that's everyday  
Sosa always with this nigga shit, that's everyday  
Can't compare an eye, cause I'm hot as fuck  
I'm buying foreign cars and some Tonka trucks  
No snitching but we let you walk  
Shoot them bullets, ain't nobody hot as us  
I'm a Leo but my fucking birthday every day  
Hope I be at the awards fucking Mary Kate  
I'm a Leo but my fucking birthday everyday  
Hope I be at the awards fucking Lil Kate

[Chorus]

She say you be stunting, bitch that's everyday  
All my money go on dope, shit that's everyday  
She wanna chill with Sosa, but not every day  
Fuck on any nigga bitch, shit that's everyday  
Everyday, everyday, everyday, everyday, everyday, everyday  
She wanna chill with Sosa, but not every day

OTF, bitch I rep that shit like everyday  
GBE, bitch I rep that shit like everyday  
If you think it's chicken then its bombs away  
Ringing down your block, make you run away  
Man I get so high I can't pronounce  
Run up in your house where your money safe  
We be making moves, shit that's everyday  
I don't stack money, I spend it in every way  
Damn, all this money on my land line  
Up all day, bitch we don't sleep we vampires  
40 on my hip, click clack then fire  
We don't do this everyday, you's a damn liar

[Chorus]
