I Do

Blaque

Ha ha (woo ahh)
Can't nobody tell me what I can
'cause I be lovin' my man rediculously
Well I should ashame
Can't nobody tell me what I can (what what huh huh ha)
Can't nobody tell me what I can
'cause I be lovin' my man rediculously
Well I should ashame
Can't nobody tell me what I can (what what huh huh yea)Ain't nobody ever say I don't love my man
Who are you to justify what I can and can't
I'll make him love me even more
I done givin' him more than I did beforeChorus:
And I do
Give him the love that he wants
And I do
Give him the love that he needs
And I do
Give him the love that no girl in this world
Could ever touch
And I do(Da de de DaDa, Da de de DaDa)
(Sho Woop Sho Woop)
(Da de de DaDa, Da de de DaDa)
(Sho Woop Sho Woop)
(Da de de DaDa, Da de de DaDa)Won't nobody ever share the bond we had
Who are you to manipulate the trust in my man
Gonna show the world what we're made of
Wrapped in his arms he can't get enough
Oh So-ucky So-ucky Now!Chorus:
And I do
Give him the love that he wants
And I do
Give him the love that he needs
And I do
Give him the love that he wants
And I do
Give him the love that he needs
And I do
give him the love...
that no girl in this world

Could ever touch
And I do(Da de de DaDa, Da de de DaDa)
(Da de de DaDa, Da de de DaDa)
(Ohhhh) (Da de de DaDa, Da de de DaDa)
(Sho Woop Sho Woop)You ain't never heard a cop like that
Be trynna hurl me out of my relations nonstop
(Sho Woop Sho Woop)
Time to get the pom poms
Would you wanna hit me with
I'm like the driest curls you ever drip drop
(Sho Woop Sho Woop)
Possibly L-A-dies these days just don't be givin' a kuff
When you thinkin' (Sho Woop Sho Woop)
that you lovin' your man
It's when he tap you on your shoulder sayin'
Baby you ain't givin' me love (what)I do
Give him the love that he wants
I, I, I, I, do
Give him the love that he needs
I, I, I, I, do
Give him the love that he wants
I, I, I, I, do
Give him the love that he needsChorusChorusChorusChorus
