

# Set It Off (feat. Jahred from Hed P.E.)

## Primer 55

Once again it's on, and all the kids are lined up  
Pumpin' their fist in the air, getting fired up  
It's all about you  
It's all about your loyalty  
Keepin' it real  
You're part of the family, and that's who I am  
And that's where our heads at all  
That rock star ego-shit  
We ain't about that  
'Cause I feel the love, and I feel the unity  
You and me raisin' the fuckin' roof  
So let's fuck up this bitch  
Fuck it up  
Set it off  
Set it off, set it off, bitch, set it off  
Come into our world  
I open all your eyes up  
The word on the street  
Can you feel the heat rise up  
And see what my troops did?  
I'm telling the truth, kid  
All the hard heads in the pit getting stupid, so what  
Should we do is this?  
What you want to see  
Are you down  
Muthafucka want to get crazy 'cause I feel the love  
And I feel the unity  
You and me raising the fuckin' roof  
So let's fuck up this bitch  
Fuck it up  
Set it off  
Set it off, set it off, bitch, set it off  
Life's a gift  
We all make our choices as one  
We all bring our forces  
Hey, muthafucka, I'm talk to you  
Yeah, you, muthfucka  
I'm through fuckin' with you  
Now I don't need that shit, and I don't like that shit

I flip the script, and I re-write that shit  
Sucker emcees hear my spit, and they bite that shit  
I grab the mic, and I ignite that shit  
Good times like J.J., all dyn-o-mite and shit  
I don't quit, like a phoenix  
I take flight and shit  
Oh yeah, you fuck with me, I'll fight like a pit  
And shit all over everything you love  
And all that you hold sacred  
Open up my eyes and see your face  
The muthfuckin' face of hatred  
So let's fuck up this bitch  
Fuck it up  
Set it off  
Set it off, set it off, bitch, set it off  
Set it off right
