

# Clean

## David Phelps

I stepped into the river  
sank up to my knees in the mud  
oh the preacher man took me under  
beneath that cleansing flood  
there was something 'bout the water  
there was power in the blood  
For the first time in my life I felt clean

oh, oh, oh, Clean, I felt clean  
clean, I felt clean  
there was something in the water  
but there was power in the blood  
for the first time in my life I felt clean

I just could not forget it  
it would not let me be  
see the past was there to haunt me  
it had its chains on me  
but then the preacher man took me under  
beneath that cleansing flood  
for the first time in my life I felt clean

oh,oh,oh clean, I felt clean  
clean I felt clean  
there was something in the water  
but there was power in the blood  
for the first time in my life I felt clean

oh the blood of Jesus  
oh the blood of Jesus  
oh the blood of Jesus  
that washes white as snow

clean, I felt clean(X4)
