Death Of Me - Guillotine Remix

Red

I should have seen those signs all around me
But I was comfortable inside these wounds
So go ahead and take another piece of me, now
While we all bow down to youYou tear me down
And then you pick me up
You take it all
And still it's not enough
You try to tell me
You can heal me
But I'm still bleeding
And you'll be the death of meHow can you end my affliction
If you're the sickness and I'm the cure'
Too long I've faked this addiction
Another sacrifice to make us pureYou tear me down
And then you pick me up
You take it all
And still it's not enough
You try to tell me
You can heal me
But I'm still bleeding
And you'll be the death of meYou tear me down
And then you pick me up
You take it all
And still it's not enough
You try to tell me
You can heal me
But I'm still bleeding
And you'll be the death of meI won't forget
I cannot forget this
I won't forget
I'll never forget this
I won't forget
I cannot forget this
I won't forget
I'll never forget thisI won't forget
I cannot forget this
I won't forget
I'll never forget this
I won't forget

I cannot forget this
I won't forget
I'll never forgetYou know I can never prove this solution
You aren't the one that I thought you were
And so I learn to embrace this illusion
The line that separates
It starts to blurYou tear me down
And then you pick me up
You take it all
And say it's not enough
You try to tell me
You can heal me
But I'm still bleeding
And you'll be the death of me
And you'll be the death of meI will not forget
I cannot forget this
And you'll be the death of me
