

Good Clean Fun

David Ogden Stiers, Company

Eye on the crowd, baby
Looking for someone to satisfy my needs
Someway, somehow
I gotta find someone to spend some time with me
Well, I ain't lookin' forever
Just a woman to treat a good man right
You look so good, you got me thinkin'
You might satisfy my soul tonight
There's no harm done, I know you're the one
You don't have to worry and no hurry
The night's still young
I'm just looking for some good clean fun
I ain't lookin' for a woman
Who's always tryin' to put me down
I don't want nobody
Giving me that same old run around
I ain't leavin', I'm just leanin'
And I'm lookin' for that good time thing
And I could tell by the way you're acting
Girl, you know exactly what I'm thinkin'
There's no harm done, I know you're the one
You don't have to worry and no hurry
The night's still young
I'm just looking for some good clean fun
Don't wanna slow down, don't wanna move too slow
I am so confused, I don't know what to do
So please don't think I'm moving in for the kill
If you don't wanna love me somebody else will
Don't wanna slow down, don't wanna move too slow
I am so confused, I don't know what to do
So please don't think I'm moving in for the kill
But if you don't wanna love me somebody else will
There's no harm done, I know you're the one
You don't have to worry and no hurry
The night's still young
I'm just looking for some good clean fun
Looking for some
Oh, baby
Looking for some good clean fun

Looking for fun
