

Where You Belong

Dreamend

If your feeling down or weak
You can always count on me.

I will always pick you up
Nothing's ever gonna change
Nothing's gettin' in my way
I will always hold you up
Anything come what may

Don't look back

Forget yesterday, forget yesterdayIt's not where you come from

It's where you belong

Nothin I would trade

I wouldn't have it any other way

You're surrounded

By love and you're wanted

So never feel alone

You are home with me

Right where you belongI know sometimes you're feeling lost

It's hard to find your place in it all

But you don't have to fear

Even when you mess up

You always got my love

I'm always right here

Oh, cause

Anything come what may

Don't look back

Forget yesterday, forget yesterdayIt's not where you come from

It's where you belong

Nothin I would trade

I wouldn't have it any other way

You're surrounded

By love and you're wanted

So never feel alone

You are home with me

Right where you belongOooh, Oooh, (Oooo)

Oooh, Oooh, (Oooo)

Don't matter where you've been

Oooh, Oooh, (Oooo)

Oooh, Oooh, (Oooo)

You're here for a reason

OoohhhooooooIt's not where you come from
It's where you belong
Nothin I would trade
I wouldn't have it any other way
You're surrounded
By love and you're wanted
So never feel alone
You are home with me
Right where you belong
