

# Gut Feeling

## Claw Hammer

Something about the way you taste  
Makes me wanna clear my throat  
There's a message to your movements  
That really gets my goatI looked for sniffy linings  
But you're rotten to the core  
I've had just about all I can take  
You know I can't take it no moreI got a gut feeling  
I got a gut feeling  
I got a gut feeling  
I got a gut feeling, feelingCentered 'round long time ago  
On your ability to torment  
Then you took your tongs of love  
And stripped away my garmentI looked for sniffy linings  
But you're rotten to the core  
I've had just about all I can take  
You know I can't take it no moreI got a gut feeling  
I got a gut feeling  
I got a gut feeling, feelingI got a gut feeling  
I got a gut feeling, feeling  
I got a gut feeling  
I got a gut feeling, feelingI got a gut feeling  
I got a gut feeling, feeling  
I got a gut feeling  
I got a gut feeling, feelingI got a gut feeling  
I got a gut, hoo owSlap your mammy down  
Slap your pappy down again  
Slap your mammy down  
Slap your pappy down againSlap your mammy down  
Slap your pappy down again  
Slap your mammy down  
Slap your pappy down againSlap your mammy down  
Slap your pappy down again  
(Oh move it up and down now)  
Slap your mammy down  
Slap your pappy down again  
(Oh move it all around now)Slap your mammy down  
Slap your pappy down again  
(Oh move it up and down now)  
Slap your mammy down

Slap your pappy down again, oh yeah  
(Oh move it all around now)
