Fearless Heart

EFY 1999

For even the most trusting soul
This world can be a scary place
So much that we can't control
In every moment that we face

When a thousand what ifs
Whisper in our ears
We remember who's we are
And watch them disappear

I wanna live with a fearless heart
Courage that's coming from trust in God
It's constantly guiding me though the road may seem dark
I wanna live, wanna live with a fearless heart

There are worries chasing everyone
It's evident in times like these
But I have found the confidence that comes
From time I spend on my knees

There's a truth I'm holding onto
As these days unfold
Greater is He, God is in you
And hear it in the world

I wanna live with a fearless heart
Courage that's coming from trust in God
It's constantly guiding me though the road may seem dark
I wanna live, wanna live with a fearless heart

He's my strength, He's my shelter
He is with me all the way
He's my light and my salvation
Of whom shall I be afraid, of whom shall I be afraid?

I wanna live with a fearless heart
Courage that's coming from trust in God
It's constantly guiding me though the road may seem dark, yeah

I wanna live with a fearless heart

Courage that's coming from trust in God
It's constantly guiding me though the road is dark
I wanna live, wanna live with a fearless heart

With a fearless heart, with a fearless heart
With a fearless heart
