Give Me A Sign (feat. Manu-L) - Radio Edit

Remady

If you love your life
Now is the time
So throw your hands up highIf you love your life
Now is the time
So throw your hands up highJust give me a signGive me a sign (give me a, give me a sign)
If you love your life
Now is the time
So throw your hands up highLove the life you live
Something's got to give
Live the life you love like you can't get enoughLove the life you live
Something's got to give
Live the life you love like you can't get enoughLove the life you live (love the life you live)
Live the life you love like you can't get enoughLove the life you live (love the life you live)
Live the life you love like you can't get enoughToo much to die for
Not enough to live for
It doesn't matter how hard it seems to be
Now I don't understand
Let's just wait until the endYou are lost without your dream
(give me a sign)You are lost without your dream
(give me a sign)Give me a sign
If you love your life
Now is the time
So throw your hands up highLove the life you live
Something's got to give
Live the life you love like you can't get enoughLove the life you live (love the life you live)
Live the life you love (live the life you love)Give me a sign
If you love your life
Now is the time
So throw your hands up highGive me a sign (give me a, give me a sign)
If you love your life
Now is the time
So throw your hands up high(give me give me, give me a sign)
(give me give me, love your life)Double your, double your time
So low, whoa oh oh
