For Your Splendor

Christy Nockels

I am so concerned with what I look like from the outside
And will I blossom in to what you hope Iâ€™ll be.
Yet you are so patient judged to help me see that blooms come from the deepest seed that you planted in me.

Some times itâ€™s hard to grow when ever body is watching.
To have your heart pruned by the One who knows best
Although I am bare and cold I know my seasonâ€™s coming
And I will spring up inâ€¦.in this faithfulness.

CHORUS:
With my roots deep in you
I will grow the branch that bares the fruit
And though Iâ€™m small I still will be standing in the storm.
Cause I am planted by the river
By your streams of living water
And I will grow up strong and beautiful all for your splendor Lord.

So with my arms stretched out I am swaying to your heartbeat.
I am growing with the sound of your voice calling
You are bringing out the beauty that you had put in me
For your joy and for your glory falling.

With my roots deep in you
I grow the branch that bares the fruit
And though I am small I still will be standing in the storm.
Cause I am planted by the river
By your streams of living water
And I will grow up strong and beautiful all for your splendor Lord.

Ohhhhhâ€¦â€¦.You raise me in your love, love, love,
You raise me in your love
You raise me in your power.
Thank you Lord.

With my roots deep in you
I will grow the branch that bares the fruit
And though Iâ€™m small I still will be standing in the storm.
Cause I am planted by the river
By your streams of living water
And I will grow up strong and beautiful all for your splendor Lord.

For your splendor, Lord.
