Put a Little Love In Your Heart (Remastered)

Cilla Black

Think of your fellow man, lend him a helping hand
Put a little love in your heart
You see, it's getting late, oh, please don't hesitate
Put a little love in your heartAnd the world will be a better place
And the world will be a better place for you and me
You just wait and seeAnother day goes by, and still the children cry
Put a little love in your heart
If you want the world to know, we won't let hatred grow
Put a little love in your heartAnd the world will be a better place
And the world will be a better place for you and me
You just wait and see. Wait and see
