

Just You and Me

The Birthday Party

First, I tried to kill it with a hammer
Thought that I could lose the head
Sure, we've eaten off the silver
When even food was against us
And then I tried to kill it in the bed
Second, I gagged it with a pillow
But awoke the nuns inside my head
They pounded their goddy, goddy fists
From the inside, so from the outside
I got good, I stuck it dead
And thirdly, I put my lips upon it
And blew a frost across its flat
I wrote upon the outside surface
"Tonight we're on the outside surface"
Just you and me girl, you and me and the fat
You and me and and fat
Just you and me and fat, fat, fat, fat"
