Just You and Me

The Birthday Party

First, I tried to kill it with a hammer
Thought that I could lose the head
Sure, we've eaten off the silver
When even food was against us
And then I tried to kill it in the bedSecond, I gagged it with a pillow
But awoke the nuns inside my head
They pounded their goddy, goddy fists
From the inside, so from the outside
I got good, I stuck it deadAnd thirdly, I put my lips upon it
And blew a frost a across it's flat
I wrote upon the outside surface
"Tonight we're on the outside surface""Just you and me girl, you and me and the fat
You and me and fat, fat, fat, fat, fat,
