

Missing You

Rod Stewart

Missing you, missing you, missing you
Missing you, missing you, missing you Every time I think of you
I always catch my breath
And I'm still standing here and you're miles away
And I'm wonderin' why you left And there's a storm that's raging
Through my frozen heart tonight
I hear your name in certain circles
And it always makes me smile I spend my time thinkin' about you
And it's almost driving me wild
And there's a heart that's breaking
Down this long distance line tonight I ain't missing you at all
Since you've been gone away
I ain't missing you
No matter what I might say There's a message in the wire
And I'm sending you this signal tonight
You don't know how desperate I've become
And it looks like I'm losing this fight In your world I have no meaning
Though I'm trying hard to understand
And it's my heart that's breaking
Down this long distance line tonight I ain't missing you at all
Since you've been gone away
I ain't missing you
No matter what my friend's missing And there's a message that I'm sending out
Like a telegraph to your soul
And if I can't bridge this distance
Stop this heartbreak overload I ain't missing you at all
Since you've been gone away
I ain't missing you
No matter what my friend's missing I ain't missing you and there's a storm
That's raging through my frozen heart tonight I ain't missing you at all
Since you've been gone away
I ain't missing you
No matter what my friend's missing I ain't missing you, I ain't missing you
I can't lie to myself
I ain't missing you, I ain't missing you
I ain't missing you, I'm lying to myself Oh yes, 'cause I ain't missing you
Missing you, missing you, missing you, oh yeah
I ain't missing you at all
