

Everyone Else is an Asshole

Reel Big Fish

Whoaaaaaaaaaaaaa
2xI tried to be nice
I tried to live my life, but
Everyone Else is an AssholeI tried to forgive
I tried to live and let live, but
Everyone Else is an AssholeAnd anybody else
thinks of no one but themselves
and no one want to help
because their all assholesAnd every friendly chat
is a knife in the back
a sneaky attack, waiting to happenI tried not to mind
I tried to be so kind, but
Everyone Else is an AssholeI tried to let love rule,
but I feel like such a fool, cus
Everyone Else is an AssholeAnd their out there even now
trying to mess me up somehow
they wont stop it now
cus they're all assholesAnd they're planning while I sleep
and even as we speak
to strike while i am weak
cus they're all assholesEveryone Else, Everyone Else
Everyone Else is an Assholex2It's time to defend
I know I have no friends
Everyone Else is an AssholeI've got to get them first
cus worse has come to worst
Everyone Else is an AssholeBut they put them blame on me
and pretended not to see
that I just want to be free
from these assholesWell I couldn't take thier shit
I tried to deal with it
And now I look a bit
like an assholeI tried to be nice
I tried to live my life, but
Everyone Else is an AssholeI tried to overlook
and I've tried to close the book, but
Everyone Else is an AssholeI tried not to talk shit
but, I just couldn't help it.
Everyone Else is an AssholeThey called it assault
but it really wasn't my fault

Everyone Else is an AssholeEveryone Else, Everyone Else
