

Butterfly (Reprise)

Candlebox

Some will find subtlety left in strangers
Some will find subtlety alone
And if you find everything like you're lookin' for
If you find anything let me in My eyes, I see, I see everything
My eyes, I see it's together I know Some will find everything trapped in cages
And some will find simple things inside their zoo
And if you find everything like you're looking for
If you find anything let me go My eyes I see, I see it all
My eyes will see [Incomprehensible] feel it's together I know Butterfly home, fly home, fly home, fly And I'll
raise my head up
And I'll raise my arms up
And I'll flutter on, beautiful, flutter on, beautiful
Flutter on, beautiful, flutter on, beautiful Butterfly, butterfly yeah, butterfly And I'll raise my wings up
And I'll shed this shell off
And I'll flutter on, beautiful, flutter on, beautiful
Flutter on, beautiful, flutter on, beautiful Butterfly, yeah, flutter on, beautiful butterfly, yeah If what I know is real
If what I know is all
I'm dying, I'm dying
Flutter on, beautiful, flutter on, beautiful, dying beautiful
Flutter on, I'm beautiful, fly, I'm beautiful Butterfly, I'm beautiful, butterfly yeah Butterfly, butterfly, butterfly
[Incomprehensible] And I see in my eyes
And I feel in my skin
And I walk in my world
And I feel that I'm dying Butterfly, butterfly, butterfly
