Ugly Kid Joe

written by Ugly Kid Joe
Hey, do you finally see it
Wait, we are there
Fate, refuse to believe it
May, I don't care
Ten outta ten die
Framed, we'll try to escape it
Safe, it ain't fair

Wait, we'll try to achieve it
May, I don't care
Ten outta ten
Let me sleep, let me sleep
See me struggle and hold on to my soul
Fallen faster and don't know which way I'm gonna go
Ten outta ten die
