No Regrets

Shanti

i think about you everyday i wonder if you're doing ok what we had i'll never forget i still remember the day we met when you looked up, i said "hey" i never thougt i could feel this way you said "goodbye" i said "go" i never knew i'd feel so alone so alone we were just seventeen living in our dreams so young so naÃ¯ve the stupid things i believed when chorus maybe we didn't see how great it could be maybe we were scared maybe we just didn't care, yeah i came across your number so i picked up the phone just to say "hey, hi and how's it going" do you remember when chorus
