# Money Honey

## State Of Shock

As I'm staring through this fire, it's too late to make you mine
So far from where we started, so far from what we wanted
And as both our worlds fall down, we have lost and we have found
So far from where we started, so far from what we wanted
I've made mistakes that I can't erase, I've made mistakes
If I had more money honey would you love me, love me, love me?
If I wasn't just somebody like me, like me?
If I had more money honey would you love me, love me, love me?
If I wasn't just somebody like me, like me?
I've made mistakes that I can't erase, I've made mistakes
Oh I'm sure to see the signs that we?re falling back in time
So far from where we started, so far from what we wanted
And I'm trying to right this wrong, so I need you to be strong
So far from where we started, so far from what we wanted
I've made mistakes that I can't erase, I've made mistakes
If I had more money honey would you love me, love me, love me?
If I wasn't just somebody like me, like me?
If I had more money honey would you love me, love me, love me?

If I wasn't just somebody like me, like me?
I've made mistakes that I can't erase, I've made mistakes
Yeah yeah yo, yeah yeah yo
I know you know, so let it go
Yeah yeah yo, yeah yeah yo
I know you know
I've made mistakes that I can't erase, I've made mistakes
If I had more money honey would you love me, love me, love me?
If I wasn't just somebody like me, like me?
If I had more money honey would you love me, love me, love me?
If I wasn't just somebody like me, like me?
I've made mistakes that I can't erase, I've made mistakes
Yeah yeah yo, yeah yeah yo
I know you know, so let it go
Yeah yeah yo, yeah yeah yo
I know you know
