

# Some Die Young (Radio Edit)

Laleh

I will tell your story if you die  
I will tell your story and keep you alive the best I can  
I will tell them to the children  
if we have some, if we have some  
But I've always felt a feeling we would die young  
Some die young  
Some die youngSome, some die young  
But you better hold on  
so many things i need to say to you  
Please don't, don't let me go  
and we said we would die together  
Some die young  
but you better hold on  
so many things i need to say to you  
Please don't, don't let me go  
and we said we would die together  
Some die youngI will tell your story if you try  
but how long will your thoughts  
of valleys stay green  
when the world you were born in  
changes with seasons  
Will you run with this dream, will you run along  
or will you run against and finally reveal  
why some die young  
Why some die young  
Why some dieSome die young  
but you better hold on  
you better hold on  
So many things i need to say to you  
Please don't, don't let me go  
and we said we would die together  
Some die young  
but you better hold on  
So many things i need to say to you  
Please don't, don't let me go  
and we said we would die together  
you said we would die  
together
