Any Day Now

Bif Naked

Any day now, it's gonna start my real life And any day now, everything is gonna' be alright Any day now, life's gonna get real good And somehow, life will be like I said it wouldAny day now, mark my word Any day now, I will be heard Any day now, my ship Will finally come in Any day now, I'm gonna jump right in And any day, now my destiny will begin, sure And until then I'll just be here wasting my time But, don't you worry, I'll be just fineAny day now, mark my word Any day now, I will be heard Any day now, my ship Will finally come in Any day now, mark my word Any day now, I will be heard Any day now, my ship Will finally come in Any day now, mark my word Any day now, I will be heard Any day now, my ship Will finally come in Any day now, mark my word Any day now, I will be heard Any day now, my ship Will finally come in
