Searching

Offer Nissim

You were the light
All through the night
Now there is only sadness leading in my life
You where the light

I lost my way a long time baby
Searching for you
Searching for you
I lost my way a long time baby
Searching for you
Searching for
You don't know
You don't know
You don't know

You were the light
All through the night
Now there is only sadness leading in my life
You where the light

Lost my way
Lost my way...

I lost my way a long time baby
Searching for you
Searching for
You don't know
You don't know
You don't know
