

# Sometimes When I'm Lonely

[Dan Croll](#)

Never meant to go away  
Never meant to travel ahead  
Never meant to hesitate  
Never meant to look the wrong way, youI tried so hard, and I did  
I didn't mean it  
I didn't mean it, but I gotta be strict  
I tried so hard, and I did  
I didn't mean it  
I didn't mean it, but I gotta be true  
Cause sometimes we break it  
Sometimes we make up, it's true  
And sometimes when I'm lonely  
Sometimes I like to rewind to youAlways meant to stay awake  
Make a breakaway with you  
Tried my best to do it  
Run away with youCause sometimes we break it  
Sometimes we make up, it's true  
And sometimes when I'm lonely  
Sometimes I like to rewind to you  
And sometimes when I'm lonely  
Sometimes I like to rewind to you  
Cause sometimes we break it  
Sometimes we make up, it's true  
And sometimes when I'm lonely  
Sometimes I like to rewind to you  
And sometimes when I'm lonely  
Sometimes I like to rewind to you
