

Junkie Girl

Pretty Boy Floyd

I Put On My Blue Sweater
She Puts On Her Top Dress
We Go Down Town
Where The Dealers Hang Around
And Get A Fix For The Night And When They See Walking Down The Street
They Know Just What We're After Oh Cause We Get By, By Getting High
I'm In Love With A Junkie Girl
And The Junkie Girl Shes In Love With Me Yeah
I Get Off About 7, You Can't Wait
You Get Off About 9, And We Don't Care What We're
Gonna Do Tonight,
Just As Long As We're Together
And Everybody Thinks Were So Cool, If They Only Knew Oh That We Get By, By Getting High
Cause We Get By, By Getting High
I'm In Love With A Junkie Girl
And The Junkie Girls In Love With Me Yeah Cause I'm In Love With The Junkie Girl
And The Junkie Girl, Shes In Love With Me
And We'll Shoot 'In Up Higher Than A Rocket Ship, Me
And My Junkie Girl
And We're Shoot'in Up Higher Than A 747 I'm In Love With A Junkie Girl
And The Junkie Girls In Love With Me Yeah
