Ay Mamama

Iyaz

[Verse 1]I always thought that love at first sight was something just make believe
'Til the day you walked by and for the first time I couldn't find my words to speak
Said "I wanna move closer"
She's looking like a fast car, Testarossa (?)
She lookin' at me like "Ay boy come over, can you take me for a ride like ashore for?" I said "uh-huh"
[Hook]Oh-oh-ohh
And now we can't get off the pho-o-ne
Next thing you know
She's coming ho-o-me to meet my mama
And I can't believe that I started
With me sing
[Chorus]Ay mamamamama
Ay mamamamama
And she was like
"Ay papa, now tell me what's up with you"
Ay mamamamama, I think I love you
Ay mamamamama-mama
Ay mamamamama
And she was like
"Ay papa, now tell me what's up with you"
Ay mamama, I think I love you
[Verse 2]Back in the day I wasn't the type to be a sprung like this
A different girl every day of the week, every night in every city
But this one got a little closer
We movin' like a fast car, just a roadster
And we're ridin' on this love rollercoaster
And I don't wanna ever get off, I wanna keep rollin', rollin'
[Hook]Oh-oh-ohh
And we're from talking on the pho-o-ne
Now every night I'm rushing ho-o-me
'Cause she my dream girl
I can't believe that I started
With me sing
[Chorus]Ay mamamamama

Ay mamamamama
And she was like
"Ay papa, now tell me what's up with you"
Ay mamamamama, I think I love you

Ay mamamamama-mama
Ay mamamamama
And she was like
"Ay papa, now tell me what's up with you"
Ay mamama, I think I love you
[Bridge]Who knew, she's my future
(Thinkin' 'bout a ring)
Who knew, that she wanna
(Wear my last name)
It's over, she's all I ever gonna need and more
Can't believe that I started with
Who knew, she's my future
(Thinkin' 'bout a ring)
Who knew, that she wanna
(Wear my last name)
It's over, she's all I ever gonna need and more
Can't believe that I started with
[Chorus]Ay mamamamama
Ay mamamamama
And she was like
"Ay papa, now tell me what's up with you"
Ay mamamamama, I think I love you
Ay mamamamama-mama
Ay mamamamama
And she was like
"Ay papa, now tell me what's up with you"
Ay mamama, I think I love you
[Outro]Ay mamamamama
Ay mamamamama
Ay mamamamama
Ay mamamamama
Ay mamamamama
Ay mamamamama
Ay mamamamama
