

433 (hypothetical Situation)

Sinch

I'm less than nothing and holding my nerves
Exposed and lonely, addiction draws me near
 Designed to crush me a six year haze
 As the substance lets me down
 'Cause it's not real and that's why
 It's how I always want to feel
 So let's die before the secrets get revealed
I'm falling over from scratches built through time
 For timeless mistakes, my memories dissolve
 And all I know are these scars
 'Cause it's not real and that's why
 It's how I always want to feel
 So let's die, before the secrets get revealed
 I've tried but nothing can ever appeal
 And if you don't mind I'd like to throw it all away
 'Cause I've been down that road, the sober soldier
 I doubt I'll make it home
 So get me away from here before I fall apart
 'Cause it's easy to do
 And it feels and it seems true
 But it's not real and that's why
 Its how I always want to feel
 So let's die, before the secret gets revealed
 I've tried but nothing ever can appeal
 And if you don't mind I'd like to throw it all away
