Love You In Vain

Alison Krauss & Union Station

I'm waiting tonight, for you to tell me,
Do you still love me and will you remain?
My heart is breakin' with each passing hour
Please don't let me love you in vainI used to think your love would always save me
And that you'd always stay right by my side
But I can see a change comin' over you
And the tears I cry just can't hideNo, I'm waiting tonight for you to tell me,
Do you still love me and will you remain?
My heart is breakin' with each passing hour
Please don't let me love you in vainI can't pretend that love is just a pastime
And that you never meant a thing to me
So darlin, please don't leave me all alone,
Surrounded by your memoryI'm waiting tonight, for you to tell me,
Do you still love me and will you remain?
My heart is breakin' with each passing hour
Please don't let me love you in vainSo please don't let me loveÃ¢?Â¦ you in vain
