

Loke

Lux Divina

Lyrics: Grutle Kjellson 1994

Laughter echoes through the night
the Evening Star shines over Midgard
Evil mingles in the dark
the organized cosmos' enemy comes forth
Loke, the son of Frbaute.. Father of
Lies

Born of earth, unbound by laws
Takk weeps no heavy tears
for the loss of the sun's handsome son
But the mare in the woods submits
for the regaining of Foster brother's
favour

Loke, the son of Frbaute.. Father of
Lies

Born of earth, unbound by laws
The salmon glides in the waterfall
The Eagle sails with wind
Hammer groans in Jotun scull
The underground spurts fire
Laughter, deceit, beauty and contempt
The Old Norse God's protector and leader
of Jotuns

Music: Ivar Bjrnson 1994
