

Scar On The Sky

Chris Cornell

As I fall I leave a scar upon the sky
A simple note for you I wait for your reply
And in your answer I regain the will to try[Chorus]

 Hover in the diving light
 We will rip the night
 Out of the arms of the sun
 One more time
 Close your eyes and we will fly
 Above the crowded sky

And over the dumbstruck world we will runIn these hills they wash the gold and graves away
 To the valley under all of this I lay

And there you dig me out, unearthed and saved[Chorus]We can rip the night out of the arms of the sunA blood
 red feather leaves a scar upon my hand

No longer stranded like a painted bird on a fan[Chorus]We can rip the night out of the arms of the sun [Repeat:
 x3]
