Best Behaviour (Jorg Schmid Remix)

N-Dubz

Dragged my bags off the plane today a little to much fun on tour
Lord please help me find my keys or im banging down my own doorAll the cheering and all the applause who could ask for more
Now I wouldnt mind finding a real thing ready when my bags finally jitneys floorSee I need some kinda lady
That would feed me daily
Everytime I come home she'd be waiting for meCuzz iv'e been thinking lately that life alone is crazy I wanna hold somebody when I sleepAaaaa Aaaaa
Who's gonna be the one to save me
Will I ever settle Down all I do is run around this is takin to longLove is all I need (love is all I need)
I've waited all my life (waited all my life) X2You got me on my best behavior
Woahhh Woahhh
Hurry up I'm in danger baby ah ah
Woahhh Woahhh
How long before you save me babyI've just finished the tour today and my bags dropped to my door I walked up to an empty room and I was crying on my own floorAll the bright lights and all the surprises tell me what they mean Cuzz if I'm standin on a stage in front of so many people and I feel like it's just meSee I need some kinda man that
That can understand that
The female boss is who I'll have to be
Cuzz sometimes I get lonely
I just need a homie
Then I might let em be the boss of meAaaaahh
Who's gonna be the one to save me
Will I ever settle down
All I do is run around
This is takin to longLove is all i need (love is all I need)
Ive waited all my life (waited all my life). X2You got on my best behavior
Woahhh Woahhh
Hurry up I'm in danger baby
Ah ah
Woahhh woooahhh
How long before you save me babyCuzz I'm down here caged in
Burnt out aching. Ooooohhh
Seen it all before done with all the heartbreaking
Cuzz I'm fed up lonely no longer the old me right Now could do with some company I need someone to call my Cody
Your taking to long hurry up come to the rescue
