

# I'm Yours (Leo Effe Remix)

Jason Mraz

Well you done done me and you bet I felt it  
I tried to be chill but you're so hot that I melted  
I fell right through the cracks  
Now I'm trying to get back  
Before the cool done run out I'll be giving it my bestest  
And nothing's going to stop me but divine intervention  
I reckon it's again my turn to win some or learn some But I won't hesitate no more, no more  
It cannot wait, I'm yours Well open up your mind and see like me  
Open up your plans and damn you're free  
Look into your heart and you'll find love love love love Listen to the music of the moment people, dance and  
sing  
We're just one big family  
And it's our God-forsaken right to be loved loved love love So I won't hesitate no more, no more  
It cannot wait, I'm sure  
There's no need to complicate, our time is short  
This is our fate, I'm yours D-d-do do you, but do you, d-d-do  
But do you want to come on  
Scooch on over closer dear  
And I will nibble your ear I've been spending way too long checking my tongue in the mirror  
And bending over backwards just to try to see it clearer  
But my breath fogged up the glass  
And so I drew a new face and I laughed I guess what I be saying is there ain't no better reason  
To rid yourself of vanities and just go with the seasons  
It's what we aim to do, our name is our virtue But I won't hesitate no more, no more  
It cannot wait, I'm yours  
Open up your mind and see like me  
(I won't hesitate)  
Open up your plans and damn you're free  
(No more, no more)  
Look into your heart and you'll find that the sky is yours  
(It cannot wait, I'm sure) So please don't please don't, there's no need  
(There's no need to complicate)  
There's no need to complicate  
(Our time is short)  
Our time is short  
(This is our fate)  
This is, this is, this is our fate  
I'm yours Oh, I'm yours  
Oh, I'm yours

Oh, whoa, baby you believe I'm yours  
You best believe, best believe I'm yours
