

My Life (feat. Akon & B.o.B)

DJ Khaled

DJ Khaled

Convict music

Cash Money Young Money

Let's go You already know the score, been down this road before

Gotta hold your breath gotta take it now

If you want a taste of my life

Nothing good comes easy

Gotta go hard believe me

Gotta risk it all

Gotta roll the dice

If you want a taste of my life [Chorus]

My life my life

My life my life

My life my life

My life my life

My life my life

My life my life

If you want a taste of my life Yeah they wanna taste that rapper life

But the road to fame usually spoils the appetite

We live the type of dreams you wish for in the afterlife

But all that they can see is velvet ropes and flashing lights

Not everything is lavish life

but in the mirror all I see is all the nights I had to fight

It's so ironic all I had to sacrifice

but now I got the money I get everything for half the price, damn You know Khaled everybody wants the good life

Nobody really wanna pay the price

No pain no gain na na na na

This might take a little longer

No pain no gain na na na na

It'll only make you stronger You already know the score, been down this road before

Gotta hold your breath gotta take it now

If you want a taste of my life

Nothing good comes easy

Gotta go hard believe me

Gotta risk it all

Gotta roll the dice

If you want a taste of my life [Chorus] They all wanna make it up to the top

Khaled they don't wanna give up everything they got

No pain no gain na na na na
This might take a little longer
No pain no gain na na na na
It'll only take you stronger You already know the score, been down this road before
Gotta hold your breath gotta take it now
If you want a taste of my life
Nothing good comes easy
Gotta go hard believe me
Gotta risk it all
Gotta roll the dice
If you want a taste of my life [Chorus: x2]
