

Race with the Devil (feat. The Blue Caps)

Gene Vincent

Well, I led an evil life, so they say
But I'll out run the Devil on judgement day, I said Move hot-rod, move man
Move hot-rod, move man
Move hot-rod, move me on down the line, oh yeah Well, me and the Devil at a night stop light
He started rollin', I was out of sight, I said Move hot-rod, move man
Move hot-rod, move man
Move hot-rod, move me on down the line, oh yeah Well, goin' pretty fast, looked behind
A hear come the Devil doin' ninety-nine, I said Move hot-rod, move man
Move hot-rod, move man
Move hot-rod, move me on down the line
Let's drag now Thought I was smart, the race was won
A hear come the Devil doin' a hundred and one Move hot-rod, move man
Move hot-rod, move man
Move hot-rod, move me on down the the line
Let's drag again Well, goin' pretty fast, looked behind
A hear come the the Devil doin' ninety-nine, I said Move hot-rod, move man
Move hot-rod, move man
Move hot-rod, move me on down the the line, oh yeah Well, I've led an evil life, so they say
But I'll hide from the Devil on judgement day, I said Move hot-rod, move man
Move hot-rod, move man
Move hot-rod, move me on down the the line
