

# Day By Day (feat. Billy Idol)

## Generation X

Day by day, look what the papers say  
Day by day, look what the papers say  
Stranded in the jungle, trapped inside the tube  
Hate your next door neighbor 'cos he's got more than you  
Going round and round, day by day  
On the circle line, day by day  
Day by day, well, it's all work no play  
Day by day, well, it's all work no play  
Living for inflation, I know I never win  
Just to earn a living they keep me locked in  
Day by day, well, who cares anyway  
Day by day, well, who cares anyway  
I feel like a robot on the production line  
Ain't got no tomorrow on the circle line
