

Here Comes The Night

Streetheart-Action

I can see her right out my window
Walkin' on the street, my girl with another guy
His arms around her like it used to be with me
Hey man, it makes me want to die
 Yeah, yeah, yeah
 Here it comes
 Here comes the night
 Here comes the night
 Whoa, whoa, whoa, yeah
There they go, it's funny how they look so good together
 Wonder what is wrong with me
 Why can't I accept the fact that she's chosen him
 And simply let them be
 Whoa, whoa, whoa
 Here it comes
 Here comes the night
 Here comes the night
 Whoa, whoa, whoa, yeah
Oh, she's with him, he's turning out the lights
And now he's holding her the way I used to do
I can see her closing her eyes and telling the lies
 Exactly like she told me too
 Whoa, whoa, whoa
 Here it comes
 Here comes the night
 Here comes the night
 Whoa, whoa, whoa, yeah
 Here it comes
 Here comes the night
 Here it comes
 Here comes the night
 Here it comes
 Here comes the night
 Here it comes
 Oh, here comes the night
