

# Early In the Morning

Bryan Lee

Early in the morning I can't get right  
I had a little date with my baby last nightI said, early in the morning (early in the morning)  
I know it's early in the morning (early in the morning)  
Early in the morning (yeah)  
And I ain't got nothin' but the blues (blues)I went to the places where we used to go  
I went to her house and she don't live there no moreI said, early in the morning (early in the morning)  
I know it's early in the morning (early in the morning)  
Early in the morning (yeah)  
And I ain't got nothin' but the blues (blues)I went to a girlfriend's house and she was out  
I knocked on her father's door and he began to shoutI said early in the morning (early in the morning)  
I know it's early in the morning (early in the morning)  
Early in the morning (yeah)  
And I ain't got nothin' but the blues (blues)(yeah)  
(early in the morning)  
(early in the morning)  
(early in the morning)  
(yeah)  
(blues)I went to Bob Evans to get me something to eat (yeah)  
The waitress looked at me said, "Buddy, you sure look beat" (yeah)I said early in the morning (early in the morning)  
I know it's early in the morning (early in the morning)  
Early in the morning (yeah)  
And I ain't got nothin' but the blues (blues)I had a lot of money when I started out (yeah)  
I can't find my baby, you know my money run out (yeah)I said early in the morning (early in the morning)  
I know it's early in the morning (early in the morning)  
Early in the morning (yeah)  
And I ain't got nothin' but the blues (blues)Early in the morning (yeah)  
And I ain't got nothin' but the blues (blues)
